General Statement

Sibford School is committed to giving our students opportunities to 'aim high', with no ceiling placed on their potential, academically or otherwise. We recognise all children as individuals and our commitment to each pupil is in the bedrock of our approach.

Appendix 1

Attendance codes

1.Attendance

The attendance part of this policy sets out what is expected of the school, student and parent/carer, and includes reference to the support provided to students to improve their punctuality while moving from lesson to lesson. This policy also refers to those students who are struggling to come into school and will outline the support available. Students with poor attendance will invariably experience a negative impact on their social/emotional development and educational outcomes. Students at Sibford are encouraged to be a part of the community. Indeed, community is one of the four habits: Endeavour, Respect, Community and Kindness.

Aims and Expectations

The aim of this policy is to encourage a whole school culture of good attendance and punctuality for all Sibford students.

Sibford School nurtures a culture of belonging, all pupils will experience and will thrive from being a part of this environment. Good attendance is essential for all pupils to get the most out of their school experience, including their attainment, well-being and wider life chances.

All children, regardless of their circumstances, are entitled by law to an efficient, full-time education which is suitable for their age, ability, aptitude and any special educational needs they may have. Sibford has high expectations. Therefore, all students are encouraged to aim for 100% attendance.

This attendance policy sets out what is expected of the school, student and parent, so that this may be achieved and includes supporting students to improve their punctuality while moving from lesson to lesson.

This document is to be read in conjunction with The Safeguarding (Child Protection) Policy, as there are common themes throughout relating to poor attendance, student wellbeing and safeguarding of vulnerable students. This policy will also consider those students who are struggling to come into school, (referred to as Emotionally Based School Avoidance (EBSA)) and look at ways to support them by building strong and effective relationships with them and their families.

This policy applies to the whole School, including the Early Years Foundation Stage (**EYFS**).

Definitions

Attendance includes references to attendance for all or part of the timetabled school day.

Parent/carer means:

- all natural parents, whether they are married or not; unless they have lost Parental Responsibility through the court process.
- any person who has parental responsibility for a pupil
- any person who has day to day responsibility for a pupil (i.e. lives with and looks after a pupil).

Pupil includes anyone who is receiving an education at Sibford school.

Adapted Timetables are in place long term and are reflective of the individual needs of students at Sibford. This would include responsibilities relating to sporting scholarship.

Reduced Timetables are an agreement made between parent/carer, school and pupil to reduce the hours spent in education for a time limited period. This is reviewed often, with the aim of no later than every 6 weeks.

Alternative provision is education arranged by local authorities for pupils who, because of exclusion, illness or other reasons, would not otherwise receive suitable education.

Roles and Responsibilities

Sibford School as a whole, will consistently promote the benefits of good attendance, setting high expectations for every pupil and consistently communicating those expectations to pupils and parents.

DSL and Safeguarding Team will be responsible for monitoring the implementation of this policy at the school. They will be responsible for keeping the policy up to date and compliant with the law and best practice. This policy will be reviewed as part of a formal process on an annual basis.

Attendance is a key marker for ensuring effective safeguarding of pupils, therefore the DSL team will be responsible for delivering training and providing advice for teachers to ensure best practice.

The Safeguarding and Pastoral team will review attendance of 'high profile' pupils and will work with the Head of Key Stage (HOKS) team to employ personalised and targeted attendance strategies. This may include completing a risk assessment for the student to help them to engage in school and may involve seeking guidance from early help services to ensure effective joint working practices.

The DSL team are trained to recognise the increased risks that are associated with poor attendance, including child sexual exploitation, County Lines, drug and alcohol misuse, gaming addictions, increase mental health/self-harm concerns, neglect in the home, Adverse Childhood Experiences (ACEs) and FGM (Female Genital Mutilation).

All students have a personal responsibility for their attendance level in school and should be mindful of the impact of taking time off taking off.

Students are encouraged to engage with their Tutor, Head of Key Stage, or any other appropriate staff member to highlight barriers to their learning in school and to request support when necessary.

Students are actively encouraged to participate in a wide range of extra-curricular activities to enhance their experiences and time at school.

Parents/Carers (who have Parental Responsibility for the child) play a key part in supporting their child to achieve 100% attendance. Support and guidance from home/family is essential, to allow students every opportunity to flourish at Sibford and feel proud of their education. They can do this

by ensuring their child is in school at the correct time, wearing approved school uniform and ready to learn. They can also further encourage this by ensuring effective communication with the school.

We ask that parents/carers inform the school if their child is going to be absent using the absence telephone line before 8.45am.

School Committee are responsible for the approval of the school Attendance Policy and for reviewing the effectiveness of the policy with the DSL.

Monitoring arrangements

Sibford School will conduct thorough analysis of data to identify emerging patterns and trends. This data will support tutors to facilitate discussions with individual pupils and groups and identify support. This will also provide data regarding students who are consistently late or out of the classroom regularly throughout the school day.

Strategies for promoting attendance

All staff will encourage good attendance and good punctuality through example. Attendance is the responsibility of all school staff (not just teaching and pastoral staff).

Sibford School has (is) an environment in which students feel valued and welcomed, where each student is treated as an individual.

Pupils and their parents/carers are regularly made aware about the importance of good attendance and the impact on their learning if they are absent from school.

Sibford School staff will work directly with the student to resolve any barriers that they are facing. Appropriate support will be offered, including involving parents/carers.

The school will offer an 'attendance contract' which provides a formalised response, involving regular review meetings and with the support of external services.

Authorised and unauthorised absence

Planned/Authorising absence

Holiday absence in term time will not be authorised except in exceptional circumstances. Absence from school disrupts learning in lessons for both the absent pupil and others in the class, particularly where group work is involved. It has been proven to lead to poorer attainment and exam results and causes difficulties in establishing strong relationships with peers and staff. In exceptional circumstances a 'request for absence form' should be completed and returned to the Attendance Officer/reception staff. This should be done at least two weeks before the required absence.

We require that holidays are booked outside of term time.

Illness

If a pupil is genuinely too ill to attend school parents/guardians should contact school on the first day of absence by 08:45. This can be done by telephone on 01295 781200.

We acknowledge there are some appointments that must be made during the school day, but we ask where possible, they are not.

Unauthorised Absence

Pupils arriving late before registration closes will have to register at reception and will be recorded using the code L.

Pupils arriving late after registration closes will have to register at reception and will be recorded using the code U.

Where students are supported by external statutory services such as Children's Social Care, the school are expected to inform the team of any unauthorised attendance

If school are not informed of the child's absence

Staff will endeavour to contact parents/carers to ascertain a reason for their child's absence. School will notify the local authority when a pupil is absent without leave for more than 10 school days (continuously and without contact).

This may result in a Safeguarding visit to the family home. Sibford staff will seek advice from OSCB County Attendance Officer.

<https://www.gov.uk/government/publications/working-together-to-improve-school-attendance>

Pupils diagnosed with a medical condition

Where a pupil has been diagnosed with a medical condition that results in sporadic or long-term absence, the school will liaise with medical professionals working with the pupil to create a bespoke support plan, which will be reviewed often, with the aim of no later than every six weeks during term time. This will include students that are diagnosed with EBSA by specialised medical professionals. The school will seek support from early help services within Oxfordshire and/or from the county the child resides, to provide appropriate educational provision, within the limits of the school's staffing and funding.

There is a separate SEN and Disability and Equality policy for students supported by the Learning Development Team. The team will do all that is reasonable to meet the needs of pupils with disabilities for which, with reasonable adjustments, the School can adequately cater.

The student is the responsibility of Sibford School, while they are on roll. Students will not be removed from roll without the prior consultation with parents/carers.

Information sharing

Sibford School will only share information regarding student attendance in line with legal obligations and having regard to government guidance on attendance, safeguarding and children missing education.

Sibford School will work jointly and share data on individual cases where it is of benefit to a pupil (e.g. health services where there are medical conditions or the police where there are extra-familial harms).

Where appropriate, the School is expected to inform a pupil's social worker and/or youth offending team worker if there are unexplained absences.

Record keeping and confidentiality

All records created in accordance with this policy are managed in accordance with Sibford School's policies that apply to the retention and destruction of records.

The information created in connection with this policy may contain personal data. The School's use of this personal data will be in accordance with data protection law.

The School has published privacy notice on its website which explain how the School will use personal data. There is also a student privacy notice), which is directed at pupils in Year 9 and above which is to be read in conjunction with the Data Protection Policy review.

2. Missing Students

Definition of children missing education

The term 'deliberately missing education' has been updated to 'unexplainable and or/persistent absences from education.'

Children missing education are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school are at greater risk of safeguarding issues such as neglect, criminal exploitation, county lines and becoming NEET (not in education, employment or training) later in life.

Effective information sharing between parents, schools and local authorities is critical to ensuring that all children of compulsory school age are safe and receiving suitable education. Local authorities should focus their resources effectively in intervening early in the lives of vulnerable children to help prevent poor outcomes.

Home Education

Children missing in education (2024) states: there are many reasons why a child stops attending a school. It could be because the parent chooses to home educate their child. However, where the reason for a child who has stopped attending a school is not known, the local authority should investigate the case and satisfy itself that the child is receiving suitable education.

Sibford School will work with the family to guarantee the best outcomes for the child including ensuring that parent/carers are fully aware of their legal responsibility to provide their child with education.

When a pupil's attendance is affected by their health and/or emotional wellbeing

DFE guidance (Supporting pupils at school with medical conditions 2015) states the aim is to ensure that all children with medical conditions, in terms of both physical and mental health, are properly supported in school so that they can play a full and active role in school life, remain healthy and achieve their academic potential.

When the child is medically unfit to attend, parents are required to inform the school by contacting the attendance line or reception on the first day of the absence. Continuous absence due to a medical condition, may necessitate a joint working approach from the school, school nurse, doctors and family. Individual robust healthcare plans will be created for the student, along with considering health and safety risk assessments to enable the student to attend extra-curricular activities with their peers.

If the child's physical or mental health deteriorates and medical professionals directly involved advise against them attending school, the local authority will be contacted for suitable education alternatives. The child will remain on Sibford School's pupil register throughout this time. The School will maintain regular contact with the family as well as working directly with the alternative provider with the ultimate goal being for them to return to school.

Honour-Based Violence

Staff will also be alert to warning signs of children at risk of travelling to conflict zones, female genital mutilation and forced marriage. Teachers accept their responsibility to personally report to the police cases where they discover that an act of FGM has been carried out. Discussions will take place with DSL and appropriate external services and advice sought from external teams. Further support for families can be found in the links at the end of this document

Emotional Based School Avoidance (EBSA) is a pattern of absence or refusal to attend school due to anxiety or fear. This could be down to a multitude of factors and requires a holistic and trauma informed assessment in order to be managed.

Characteristics of EBSA are low mood, fatigue, physical complaints and/or social anxiety. Historically this would have been referred to as school refusal, however the word 'refusal' suggests the student is actively making the decision to not attend school which is not the case.

It is generally acknowledged that every day a child is unable to attend school, this compounds their sense of worthlessness and sometimes their suicidality. Sibford staff will patiently work with the student and their family, offering compassion and empathy to gain a genuine understanding of the student's needs. An Emotional Based School Avoidance Individual Action Plan will be completed with the Student, by a member of the Pastoral team and shared with parents/carers. The plan uses an

Assess, Plan, Do, Review model, which tracks a student's progress and any emerging needs in a timely manner.

Children with SEND needs, may be likely to struggle more with attendance, as they may perhaps lack the communication skills to express their concerns. The Pastoral and Safeguarding team regularly track and analyse attendance data using SIMS, with the knowledge that early identification achieves the best long-term outcomes for the child or young person. Right Support, Right Time, Right Place. (Special Educational Needs and Disabilities (SEND) and Alternative Provision (AP) Improvement Plan Right Support, Right Place, Right Time 2023)

3. Student Supervision

The welfare of our students at Sibford school is our principal concern. We ensure that pupils are safe and secure and that there are procedures for effectively searching for missing pupils.

Keeping Children Safe In Education 2024, states that 'All staff are aware of systems within their school or college which support safeguarding, and these are explained to them as part of their staff induction'.

All staff should be aware that children being absent from school or college, particularly repeatedly and/or for prolonged periods, and children missing education can act as a vital warning sign of a range of safeguarding possibilities.

[Keeping children safe in education 2024 \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

National Minimum Standards for boarding schools (2022), states:

20.6 Staff working within the school know and implement the school's policy, and any local protocols, in relation to boarders going missing and understand their role in implementing that policy. Staff actively search for boarders who are missing, including working with police where appropriate

23.5 The school ensures that all adults providing lodgings for boarders on its behalf have undergone suitable safeguarding training at least every three years, and that they understand the school's policy in relation to boarders going missing and their role in implementing that policy.

[National Minimum Standards for boarding schools \(publishing.service.gov.uk\)](https://publishing.service.gov.uk)

Student Supervision during the school day

Any pupil who is absent from registration and/or lessons during the day without authorisation or explanation is deemed missing and it is the School's responsibility to locate and return them to effective supervision as soon as possible.

Our pupil supervision arrangements are outlined in our Parent Handbook and describe:

- The arrangements for pupils arriving at school and leaving the premises at the end of the day
- The arrangements for supervising the pupils whilst they are in school
- The arrangements for registering the pupils in both the morning and afternoon. For day pupils we take a register of pupils at the start of the morning and afternoon sessions. Parents/guardians are responsible for notifying the school if their child is absent for any reason.
- The school will always contact the parent if the pupil fails to arrive at school without an explanation.

Procedure

All pupils are registered electronically twice a day. The absence of any pupil from registration will be investigated by the School Administrator or School Office who have the responsibility for checking all registers and compiling the absence list (the Registration Administrator form). If a pupil does not attend a lesson without cause, teachers will contact the School office and inform them.

The Registration Administrator or School Office will check whether the missing pupil is in the Health Centre or at an extra lesson, for example etc. Staff must not rely on the information of other pupils.

The Registration Administrator or School Office will check:

Boarding

Signing in and out book in the School Office

Health Centre

Trips/Fixture and other off site activity lists

Music School

Support for Learning lessons

Wellbeing Coach

Safeguarding and pastoral team

Supervision of Prep/After School Activities – Junior School (including EYFS)

The school day finishes at 4:00pm. Where children are staying for a club, Prep, afterschool care or going on school transport, they have a supervised break between 4:00-4:15. For EYFS and KS1 this is in the Early Years outdoor area. For KS2 this is on the netball court.

At 4:15pm, registers are taken on SOCS for children attending clubs, prep and afterschool care, and by clipboard for those travelling on school transport. Pupils on school transport are then

accompanied to their buses, while those on clubs, prep or afterschool care are passed into the supervision of the member of staff on duty or running the activity.

Prep, afterschool care and clubs finish at 5:20pm (with the exception of those run by the PE department, which finish at 5:45pm) and collection from these takes place either from the EYFS door (for EYFS and KS1) or from the main corridor (KS2) with pupils handed over to parents or guardians when they arrive. Children in Year 5 and 6 carrying out PE clubs with Senior School are collected from the swimming pool car park at 5:45pm.

If children are booked into tea, a register is taken at 5:25 and the children are taken to the dining room at 5:30. Children booked into tea are then supervised while eating and should be collected by 6:00. (See below for the procedure for pupils not collected at the correct time)

Supervision of Prep/After School Activities – Senior School

Prep (during period from 4:30pm – 5:45 pm): After school boarding and day pupils registered for staying for prep/activities have refreshments in the dining room (supervised by the teacher on snack duty). ALL pupils staying for prep should report to their respective bases at 4:30 pm for registration on SOCS (online co-curricular system) by 4:35 pm.

Staff taking in-school activities must check that all pupils have arrived and register on SOCS.

The senior duty staff will visit the Prep bases and reception to check absentees and follow up.

Pupils returning from sporting fixtures should be collected at the advertised time from the swimming pool car park or join prep until 5:45 pm.

After Prep (5:45 pm) staff clear pupil from prep bases, close windows and turn of lights. Boarders go to the Dining Hall for tea and day pupils are collected from the swimming pool car park. (or at 6:00 pm if they have stayed for supper).

In the event of emergency, pupils not collected by 6:00 pm will be taken to Fielding House where they will be supervised until they can safely be collected.

Procedure for a child going missing from the Senior School during the day

If there is no discernible reason for absence, the Registration Administrator will follow the procedures below:

- Report the situation and indicate the pupil's last known whereabouts to a member of the Senior Leadership Team (SLT) in person. It is not sufficient simply to leave an answer phone message.
- The friends of the pupil will be asked, and if possible, the missing pupil will be contacted on their mobile phone.
- The school site will be checked.
- If the pupil is still missing the Head or Deputy Head will be informed.
- If the pupil is not found, a fire drill will be considered to establish that they are not on site.

Actions following unsuccessful search

Were a pupil to go missing and **efforts to locate the pupil prove unsuccessful**, then the Head, the Deputy Head (and Designated Safeguarding Lead) or member of SLT will inform the parents or guardians. Depending on the information gained from the parent the following options may be taken:

- DSL or DDSL will contact Police and the Local Authority Designated Officer (LADO).
- The Head the DSL or another member of SLT will inform the Clerk of Committee
- If the pupil is injured a report would be made under RIDDOR to the Health & Safety Executive (HSE)
- A full record of all activities taken up to the point at which the pupil is found, will be made for the incident report. This will be recorded on CPOMS and SIMS.
- Inform UKVI compliance team, if applicable.
- Media questions will be referred to the Head.

Actions following successful search

Actions to be followed when **efforts to locate the pupil are successful**

- Staff will talk with, take care of and comfort the pupil.
- Staff will speak with the other pupils to ensure that they understand events, for example why they should not leave the premises/separate from a group during an outing (see below for Educational visits).

- The Head, the DSL, or another member of SLT will speak with the parents to report the incident, and they will then record in writing in a letter to the parents an account of the incident and a record of the meeting with the parents.
- The Head, the DSL, or another member of SLT will carry out a full investigation, involving, if appropriate, the Police and the local Multi Agency Support Hub.
- Media questions will be referred to the Head.
- Written statements will be invited by all concerned from those with knowledge of the event.
 - The written report of the incident will record details of time, place, members of staff, the circumstances in which the pupil went missing, an outline of what was understood to have happened, the length of time during which the pupil was missing and an initial explanation of how the incident appeared to have arisen.
 - Debrief with staff involved, to ensure any learning opportunities are recognised and procedures amended accordingly.
 - Students involved will be advised that an individual risk assessment will be completed for them, for example to ensure their safety on future school trip or fixtures (see below for Educational visits).
 - The student will complete an assessment with a member of the Pastoral or Safeguarding team to ensure their safety when in school.
 - Safeguarding team will liaise with external support services regarding the student's safe return and consider future support.
 - Support offered to staff involved for their own wellbeing.

Procedure for a child going missing from the Junior School (including EYFS) during the day

- Check with the pupil's friends to see if they know their whereabouts
- Check with the Junior School Administrator who will check the signing in/out books and the register on SIMS
- Inform a member of Senior Leadership Team (SLT)
- Ask all relevant adults and pupils calmly if they can tell us when they last remember seeing the pupil
- Co-ordinate a search of the school grounds, focusing on areas of most recent sightings and areas of high risk (ponds, swimming pool, roads, maintenance yard etc.)
- Ensure other pupils are occupied and care is provided
- As a rule, the younger the pupil, the more quickly secondary action is required. If the pupil is missing from EYFS for more than 5 minutes, the teacher should contact Junior School Reception, who should ask for senior colleagues to attend

- The Junior School Administrator should be the contact point. In their absence, a member of JSLT will ensure that alternative arrangements are in place. This information will be communicated to all by a senior colleague

If the pupil is still missing after immediate searches and investigations, the following steps should be taken:

- The senior colleague should contact the police as soon as it has been ascertained that the child is missing – this may well be within ten minutes
- Telephone parents/guardian and keep them updated
- Staff should continue to search even after the police have been called

Escalation Process during Boarding Hours

If a boarding pupil is identified as missing during the times when pupils are in the Boarding House:

- Boarding Staff will communicate with the Deputy Head and DSL and a coordinated search will take place of the buildings and grounds
- The friends of the pupil will be asked, and if possible, the pupil will be contacted on their mobile phone.
- If the pupil is not located, the Head teacher will be contacted.

Further procedures will be followed in accordance with actions following an unsuccessful search listed in the policy above.

If a pupil fails to return to Boarding from a weekend at home, parents will be called to ascertain the pupil's whereabouts and a member of SLT will be notified and further action taken if necessary.

Pupils Missing on an Educational Visit

The arrangements for our students regarding school trips, are set out in detail in the 'Educational Visits, Policy and Procedure'. The purpose of the policy is to establish a framework in which visits and trips can be organised to minimise risk, and to ensure that national standards are met, and best practice is followed.

If students are missing on an Education Visit the following will happen:

- An immediate head count will be carried out to ensure that all other pupils are present.
- A member of staff will search the immediate vicinity.
- The remaining pupils will be kept occupied and safe.
- The Head or another member of SLT will be informed by landline or mobile phone.
- The Head or another member of SLT will inform parents, guardians if appropriate, and the Police.

- The member of staff leading the outing should liaise with the venue manager(s) of any locations visited and arrange a search.
- Further procedures will be followed in accordance with actions following an unsuccessful search.

During a residential school visit the additional points below must be considered (day and boarders)

- Follow the centre’s guidelines or the school’s educational visits risk assessment OR follow the guidelines for boarders in the evening (see relevant section in this policy).
- Ensure that all additional risks are considered such as physical location of the centre, or a location outside of the UK, for example.

A full record of all activities taken up to the stage at which the pupil was found would be made for the incident report. The school will review its procedures and, if appropriate, these would be amended.

Procedures to be followed by staff when a pupil is not collected on time (Junior School and Senior School)

Junior School (including EYFS)

If a pupil is not collected by 4:00pm they will join Prep or After School Care. The Junior School Administrator or member of staff on duty will then contact parents/guardians explaining the pupil’s whereabouts. If there is no response, a message will be left.

At the end of After School Care or Prep, pupils should be collected from the main Junior School door or EYFS entrance (with the exception of sports clubs which stipulate collection from Sports Hall).

If pupils are not collected, parents/guardians will be contacted and, if need be, a message left. The pupil will be taken to supper by the After-School Care supervisor. If the pupil is not collected by 6pm the parents/guardians will be contacted again, and the pupil will be taken to join the appropriate Boarding House activity. Parents/guardians will be informed as to where this activity will be taking place, and a contact number will be left.

Where a pupil has not been collected by 6:00pm, the Head/SLT will follow up with parents/guardians. If there is still no response from Parents/Carers, advice may/will be sought from the local Multi Agency Safeguarding Hub out of hours line.

Where a pupil has not been collected at 4:15pm on Fridays, the parents should be contacted and messages left on mobile, work and home numbers to say that the child is being looked after – giving the name of the teacher responsible, and the location.

The teacher should inform the Head of Junior School/Head.

All actions by school will be recorded on CPOMS as a safeguarding concern.

Senior School

At the end of the school day Senior School pupils are expected to return to Reception for help if they miss their bus or the adult collecting them does not appear. If a pupil is not collected, reception staff will call the contact numbers for the parents or guardians. If there is no answer, the member of staff on duty will begin to call the emergency numbers for this pupil. During this time, the pupil will be safely looked after.

If there is no response from the parents' or guardians' contact numbers or the emergency numbers, the Head/SLT will contact the relevant authorities. The pupil will join prep followed by boarders' supper and then go to the appropriate Boarding House whilst parents/guardians are located.

We undertake to look after any pupil safely throughout the time that they remain under our care, until such a time as they have been collected by a parent or carer, or until appropriate arrangements have been made.

Where a pupil has not been collected by 6:00pm, the Head/SLT will follow up with parents/guardians. If there is still no response from Parents/Carers, advice may/will be sought from the local Multi Agency Safeguarding Hub out of hours line.

Where a pupil has not been collected at 4:15pm on Fridays, the parents should be contacted and messages left on mobile, work and home numbers to say that the child is being looked after – giving the name of the teacher responsible, and the location.

The Head of Junior School and DSL will keep a record of incidents, where appropriate, where parents/guardians do not collect a pupil from school or are late for no explained or good reason, or where there are repeated incidents.

If any concerns about the pupil's safety and welfare result, these will be dealt with in accordance with the school's Safeguarding (Child Protection) Policy and procedures.

Appendix 1

Attendance codes

Codes	SIMS Description	DfE description / explanation	Statistical meaning
I	Present (AM)	Present at the school morning session.	Present
Y	Present (PM)	Present at the school afternoon session.	Present
B	Educated off site (not Dual reg.)	Attending any other approved educational activity.	Approved educational activity
C	Other authorised circumstances	Leave of absence for exceptional circumstance.	Authorised absence
C1	Leave of absence - Regulated performance	Leave of absence for the purpose of participating in a regulated performance or undertaking regulated employment abroad.	Authorised absence
C2	Leave of absence - Temporary part-time timetable	Leave of absence for a compulsory school age pupil subject to a part-time timetable.	Authorised absence
D	Dual registration	Dual registered at another school.	Attendance not required
E	Excluded	Suspended or permanently excluded and no alternative provision	Authorised absence
G	Family Holiday (not agreed)	Holiday not granted by the school.	Unauthorised absence
I	Illness	Illness (not medical or dental appointment).	Authorised absence
J1	Leave of absence - Interview	Leave of absence for the purpose of attending an interview for employment or for admission to another educational institution.	Authorised absence
K	Alternative provision provided by LA	Attending education provision arranged by the local authority	Approved educational activity
L	Late (before registers closed)	Late arrival before the register is closed.	Present
M	Medical/Dental appointments	Leave of absence for the purpose of attending a medical or dental appointment.	Authorised absence
N	No reason yet provided for absence	Reason for absence not yet established.	Unauthorised absence
O	Unauthorised abs	Absent in other or unknown circumstances.	Unauthorised absence
